

AGRICULTURE. FOOD & NATURAL RESOURCES CAREERS CONFERENCE AGENDA

NOVEMBER 9, 2018 | CROWNE PLAZA HOTEL | LANSING, MI

8:00 A.M. Diversity in Action: Harnessing the Power of Difference

9:30 A.M. Finding Your Fit: Matching Your Talents to the Right Career

***AGENTS OF AG:** Calling all leaders: Recent intelligence reports indicate that agriculture is at a heightened threat level. With a growing population and the need for a skilled workforce, the future of our industry has never been more important. Your mission, should you choose to accept it, is to infiltrate the agriculture field and identify opportunities for career success. A full briefing as well as your tools and resources are waiting for you in Lansing. Hurry, agents! The fate of our world hangs in the balance.*

11:30 A.M. Depart on Agriculture Careers Bus Tours (Lunch will be provided)

 Visit the Meijer Produce Buying Office and take a tour of product receiving, produce inspecting, and the Banana Ripening rooms.

Hear from farmer, Steve Tennes about his leadership with Country Mill, a 120- acre farm in Charlotte that offers u-pick blueberries, apples, peaches and pumpkins.

Dive into every aspect of the heavy equipment profession from sales to service at AIS Construction Equipment.

Tour the Home Office of the Farm Bureau Family of Companies – the agriculture organization and the Insurance Company.

Experience the lateral flow chemistry area, quality control department, and a demonstration of testing equipment at Neogen, a company focused on solutions for food and animal safety.

3:00 P.M. Return from Tours and Adjourn
