

Connecting Communities ON-FARM EVENTS

In 2024, Michigan Farm Bureau launched resources, templates, and a grant initiative to encourage county Farm Bureaus to conduct adult-focused consumer outreach to build relationships along the farm to fork path. Through the Connecting Communities grant, **Benzie-Manistee, Clare, Emmet, Gladwin, Hiawathaland, Livingston, and Presque Isle County Farm Bureaus** held on-farm events.

Resources for Hosting On-Farm Events

Interested in hosting an on-farm event?
Consider these resources available from MFB:

- **On-Farm Event Invitation Template**
- **Farm Passport Template**
